NEW TROPHY GUN AIR CAPS

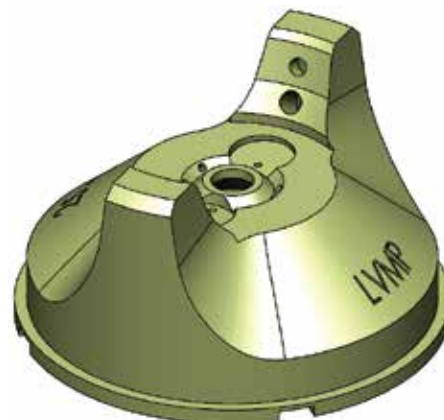

Finishing Brands is excited to introduce two new air caps and several new configurations and is now more ready than ever to take on the Transportation and Wood Finishing Industries.

With Trophy Gun Air Caps you can count on getting championship performance whether you're applying basecoats, clearcoats, enamels, stains, toners, lacquers and other solvent-based or waterborne materials and low to high solids.

Our NEW HVLP (39-H) and LVMP (25-L) air caps join our growing line to combine best-in-class atomization and even pattern distribution with excellent speed and robust productivity.

39-H (46-6525)

25-L (46-6513)

We're so positive about the experience you'll have with our new Trophy Air Caps we invite you to **Contact your Finishing Brands Representative to set up your Binks Trophy Gun trial today.**
